Experience

Stellenbosch University | Teaching/Assessment Assistant

Feb 2025 – June 2025

- Invigilating and assisting students in tutorials as well as exams for Computer Science 113/4.

Freelance | Web Developer

Jan 2024 - Present

- Christ Church Stellenbosch Website ([live at ccst.co.za](https://live.at/ccst.co.za)). I handled the migration from the old site, ensured that the new, redesigned site was responsive, communicated with the hosting provider, and set up SEO with Google Search Console.
- Kim Jayde Website ([live at kimjayde.com](https://live.at/kimjayde.com)). I designed the site from scratch, worked closely with the client to match her brand, integrated Mailchimp for mailing lists and batch emails, set up custom email accounts for management and admin, and ensured the site was fully responsive with SEO in place.
- Current Projects (blogsdev.sun.ac.za/helshoogte and marusphotography.com).
- Tugepi Biogas WhatsApp Chatbot (3rd Place - Hult Prize Stellenbosch University 2024).
